

NOTICE REGARDING FOURTH CIRCUIT COURT MOTION DOCKET FOR MARCH 27, 2020

Below is the Motion Docket of Fourth Circuit Court for Friday, March 27, 2020. In light of the Order entered by the Tennessee Supreme Court on March 13, 2020 suspending in-person court proceedings, the Fourth Circuit Court will entertain certain motions on Friday, March 27, 2020, as designated on the attached Motion Docket, via telephone conference.

Please understand that this is the Court's way of providing an avenue for litigants and attorneys to be heard on motions that the Court designates as priority matters. This in no way obligates either party to move forward on the motion and the Court will continue to liberally grant continuance requests. Please remember, we are here to help and to accommodate as much as reasonably possible.

For those motions that do go forward, please note as follows:

1. The Court will conduct hearings on motions designated below by telephone conference. The docket denotes in blue which motions will be heard by telephone conference and in red those motions which have been continued by the Court.
2. If your motion is designated to be heard, a member of the Court's staff will reach out to you directly to confirm your intentions with going forward on your motion and to provide details as to the hearing and telephone conference information.
3. In order to protect the integrity of the process, currently the Court is requiring represented litigants to be physically present with their attorney if testimony is necessary. That said, please remember that the Court is extending this opportunity to be heard to accommodate lawyers and litigants should everyone be prepared, willing and able to go forward. We understand that there are unique circumstances to everyone's current situation and will not go forward with the motion if there is an objection by anyone. We are currently in the process of testing out video conferencing capabilities for future dockets should the TSC suspension period be extended. We expect to have the video conferencing capabilities available beginning with the April 3, 2020 docket if we are unable to do the same in person. The use of video conferencing will allow for litigants and attorneys to be in different locations during the hearing.
4. Any exhibits that are intended to be used for Motion hearings shall be e-filed in sufficient time for posting by the Circuit Court Clerk. This shall include sworn Income and Expense Statements for matters that involve Pendente Lite Support.
5. In the event an interpreter is necessary, the use of the State Trial Court interpreter, an interpreter approved by the Administrative Office of the Court or approved by the AOC guidelines is required for motion hearings and it is incumbent on the party requiring the interpreter to secure the same.
6. On Friday, March 27, 2020, the Court will do a first call through the docket beginning at 9:00 a.m. that will be captured on video recording in the courtroom. The Court will call through the docket and announce motions that have been continued, stricken, agreed upon or marked ready.

7. After concluding the first call of the docket, the Court will commence telephone conferences. The telephone conferences will be initiated by the court staff and be handled in the order they are shown on the docket. All telephone conferences will take place on speaker phone in the courtroom, with video recording to create a record of the hearings. If you suspect the Court may not have the telephone number where you can be reached, please make sure to forward your number to the Court by 12:00 noon on Thursday, March 26, 2020.
8. If it is expected that a Motion may take longer than 15 minutes, please contact the Court by 12:00 noon on Thursday, March 26, 2020 to advise the Court accordingly.
9. Attorneys and Pro Se litigants are still encouraged to communicate prior to the motion docket to try to reach an agreement on any pending motions. The Court will continue to accept announcements for agreed orders, continuances and strikes. Again, the Court is liberally granting continuance requests.
10. Should you need to contact the Court regarding a case on the docket, you may call the Court at: 615-862-5910 or send an email to: stephaniewilliams@jis.nashville.org or brendawomack@jis.nashville.org.
